

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 22, 1995

SUBJECT: **SB 1058 - HB 1335**

This bill, if enacted, will add licensed registered nurses to the listing of health care professionals eligible for direct reimbursement under a contract, plan or insurance policy.

The fiscal impact of passage of this bill on state expenditures cannot be reasonably determined, but could possibly reduce expenditures for TennCare, Medicaid, and health services in other departments to the extent that lower cost care is provided by registered nurses compared to the current providers of such care. The amount of such savings cannot reasonably be determined but is estimated not to be significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
